ERRATUM

Impact of maternal supplementation with probiotics during pregnancy on atopic eczema in childhood: a meta-analysis – ERRATUM

Katja Doege, Donata Grajecki, Birgit-Christiane Zyriax, Elena Detinkina, Christine zu Eulenburg and Kai J. Buhling

(First published online 15 May 2012)

doi:10.1017/S0007114511003400, Published by Cambridge University Press, 12 October 2011

We made a mistake in Fig. 4 due to an abnormality in the order of the statistical parameters in the software (Stata 12.0 with ado-file *metan*)

Our statistician used an incorrect calculation by mistake:

$$(N_{\text{treat}}/(N_{\text{treat}} + N_{\text{contr}})) : (\text{event_treat}/(\text{event_treat} + \text{event_contr}))$$

instead of:

$$(\text{event_treat}/N_{\text{treat}}) : (\text{event_contr}/N_{\text{contr}})$$

The error does not have any impact on the results, but Fig. 4(a), (b) did not show the correct data. Here are the recalculated correct figures⁽¹⁾.

Fig. 4(a).

Fig. 4(b).
